TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

Llyn Elsi is a small lake about half a mile long, situated two miles south-west of Bettws-y-Coed. It is a most beautiful scene, the waters of the lake being relieved by some rocky islets in the centre and its charm accentuated by the luxuriant sylvan growth on its shores. From the head of the lake a fine panorama of hilly country may be obtained.
